THE MEAT WE EAT: FORUM ON INDUSTRIAL ANIMAL FARMING

April 4, 2014 • 1:00pm - 7:30pm

Harvard Law School • Austin Hall North • 1515 Massachusetts Ave

**1:00 - 3:00pm Session 1:
Overview of Animal Farming in the U.S.
and the Current Regulatory Environment**

How does the U.S. currently regulate animal farming, what are the barriers to reform, and what can be done to strengthen protections for consumers, animals, and nearby communities?

How can we create a more transparent food system so that consumers can choose healthy, sustainably- and humanely-raised food?

**3:30 - 5:30pm Session 2:
The Future of Animal Farming**
